

WANTS CLEAR DECK AND GETS STABBED

Pharoah Lee Dangerously
Wounded on Excursion Boat
Returning to City.

Calling for a cleared deck, with a dusky beauty at his side, Pharoah Lee, who makes his residence at 529 North Second Street when he can, proceeded last night to promenade on the starboard side of an excursion boat. The moon blazed redly in his eyes, and the hot blood of him was aroused by the sight of other possible suitors. Most of them took him at his word and gave him a wide berth. Head high and one arm encircled within that of the woman, he walked exultantly down the deck.

But he did not walk far. Some on in the crowd drew his "razor," a good weapon in time of need, and stabbed him in the back. He sank to the deck, blood gushing from an eight-inch wound.

"For you," he sighed dramatically to the woman bending above him. "I die for you. Don't forget the flowers, and I want a big funeral."

When the boat reached shore the city ambulance was called, and Dr. Turman sewed up the wound, saving the man from an early funeral. Six attendants were taken to the hospital.

Shortly afterwards Dr. Turman was called on to attend Joe Lee, colored, of 1205 North Third Street, who was stabbed in the neck by Robert Thompson. The wound was dangerous, and Lee lost much blood before the arrival of the surgeon.

At 1:30 after making nineteen calls, Dr. Turman announced that he would go to bed.

Newport News Wins Two.

(Special to The Times-Dispatch.)
Newport News, Va., May 30.—Newport News took both ends of to-day's double header from Old Point, the morning's game score being 5 to 2, and the afternoon game's score, 5 to 4. A record-breaking crowd of 1,437 people turned out this afternoon, and literally went wild with joy, when the coming champions came from behind a two-run lead, and won the game. German's home run drive with Downie at first, turning the trick, with only one down, Flynn having scored previously in the inning.

Honors Divided Evenly.

(Special to The Times-Dispatch.)
Norfolk, Va., May 30.—Norfolk and Portsmouth broke even in the two games played to-day, the Pirates winning the morning game by the score of 5 to 4, and the Rookies winning out in the afternoon, by the score of 5 to 1.

The morning game went to Portsmouth on superior stick work. They hit Wallace often and hard, and only brilliant fielding kept the score from being one-sided. The inability of the Pirates to do anything with the delivery of Hogue, accounts for their defeat at the afternoon game. The Rookies, on the other hand, hit Johnson opportunely, throughout the five innings he pitched, and showed better judgment in ambulating around the circuit to the rubber.

BIG FIELD WILL START IN DERBY

Sunstar Is Favorite in Betting
for England's Classic Turf
Event.

Epsom Downs, England, May 30.—With twenty-seven probable starters the field of to-morrow's Derby, England's classic turf event, will be the largest since Hermit gained his memorable victory, over twenty-nine opponents in 1867. Only twice within the last thirty-one years have there been more than a score of starters. One of these occasions was in 1901, when the late William C. Whitney captured the prize, with Volodyovski, beating twenty-four other starters. His son, Harry P. Whitney, has a candidate in the race to-morrow. All Gold, but a reputation of the victory of 1901 would be more than a surprise to racegoers here.

John Madden's Adam Bede, which is running under the colors of Louis Wainman, and who earlier was highly thought of as the probable winner, has dropped out of the betting, having since been beaten by his two stable companions in trial.

J. B. Joel's Sunstar remains the favorite in the betting this evening, at 5 to 4 against. The odds against King William are 9 to 1, while the betting against all of the other entries reached double figures.

Whitted, is now at work selecting the board of editors, and may not announce its personnel until next September, when college opens.
